See Jared on Delta. Teddy said first question was about WQCP. (She didn't know what Jared's answer was.)

Hi Karen, Thought you might want to see these! Jared said the interview went really well thanks to all your great preparation!
I'll need to follow up with Roland from KTVU about the ANPR timing but I'm guessing that since he must file on the 15th that we'll just send him a statement to say that in the coming weeks EPA plans to release an "Action Plan" that focuses on....

Do you have an estimate of when we would be ready to go out with the press release and target getting the Op-ed published in the Sac Bee?
